# **Delivering CLLD efficiently:** a guide for EMFF managing authorities

Urszula Budzich-Tabor

FARNET MA meeting, Brussels, 14 October 2019

# The Guide will be…

- …based largely on the work at MA meetings and case studies

- …addressed mainly to EMFF MAs, can also be useful to (F)LAGs, and to MAs from other Funds

- …practical, with real-life examples from MS, tips what to do and what to avoid

- …finalised December 2019, translated & published – early 2020
