<b>30 mins</b>	Focus Group discussion

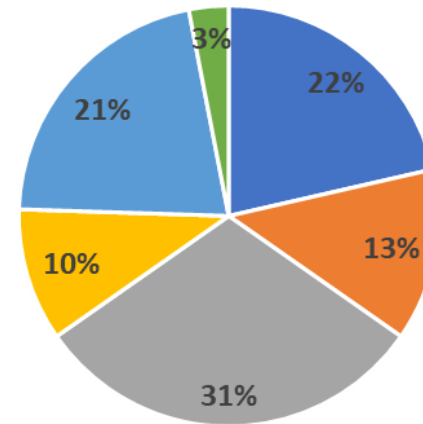

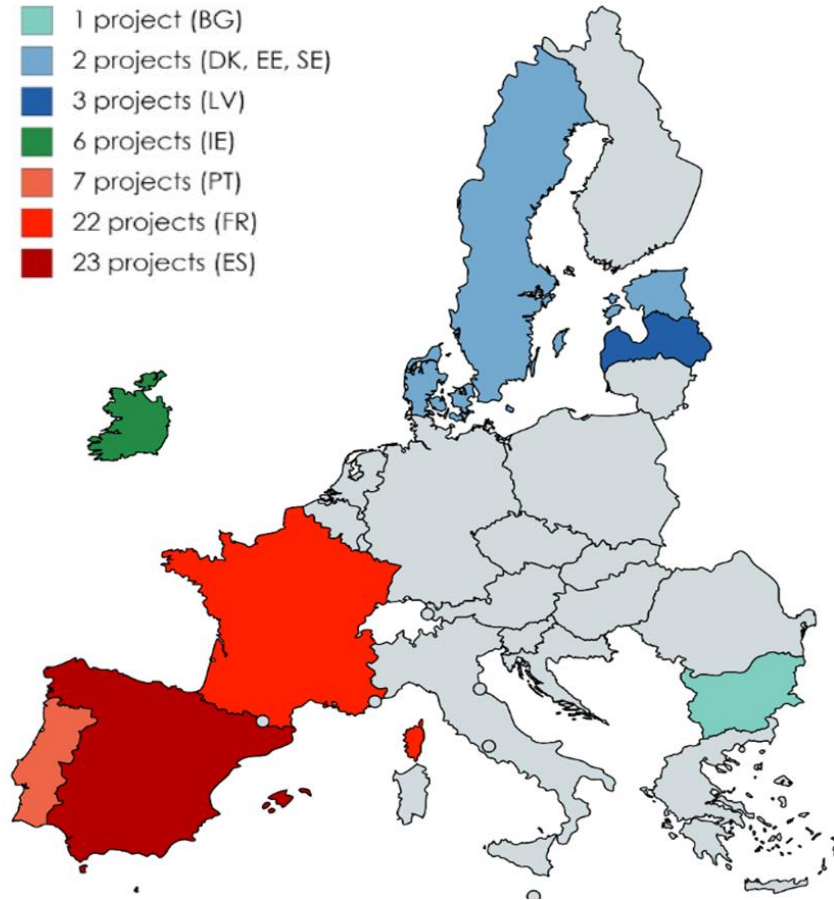

# FSU Algae Survey 2020

208 out of 348  
FLAGs replied

# FLAG-funded Algae Projects by MS and Project Category

- Wild harvesting
- Cultivation
- Supply chain / product development
- Education
- Research
- Cooperation

# Seaweed Activities in the Atlantic and North Sea

---

**Frank Hennequart**

Director for Research and Innovation, Algaia S.A

# Focus Group: Questions

---

- Do you think there are any potential opportunities for your area to further benefit from algae-based activities?
- What do you see as the main challenges to developing activities around algae in your area?
- Any additional topics/questions emerging from the discussions (e.g., further support for algae activities outside of FLAGs)
