# World Café methodology

- **World Café in 4 parallel groups, 90 min:**
  - Working session based on the World Café method and the subsequent building of proposals.
  - 3 rounds of 20 min discussion leading to a list of ‘smart’ actions/initiatives to tackle global challenges at a territorial level.
  - In each room: 4 pre-defined global challenges on 4 tables
  - Participants can suggest 1 or 2 additional challenges they would like to build a discussion on.

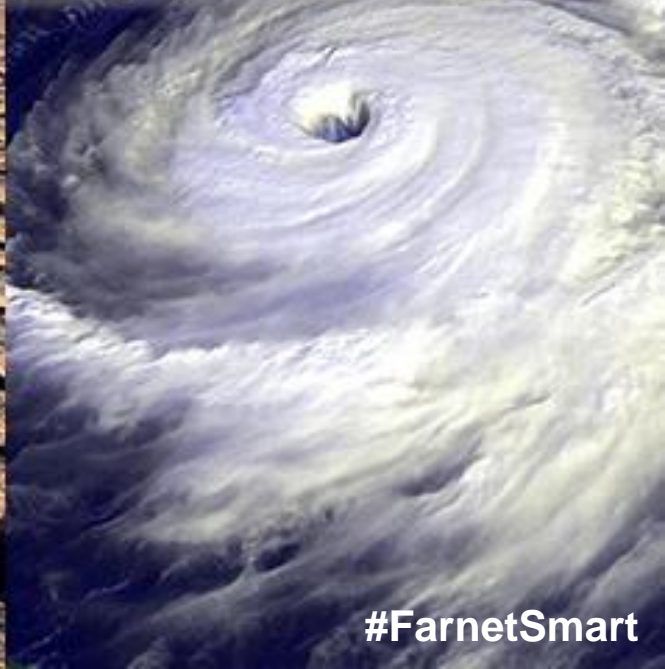

# World Café: Challenges

**The 4 pre-defined global challenges are:**

- The impacts of climate change
- Depopulation and the withdrawal of services
- The digital divide
- The 'no more EU-CLLD funding' scenario
